### Budget Distribution and Discussion Sunday, October 18

The responsibilities of the Budget Planning Committee are to consider the financial needs of the church, to prepare and recommend the annual church budget and to promote the proposed budget and encourage pledging by Emmanuel members.

Our current Budget Planning Committee began working August 5 on Emmanuel's 2016 operating budget and they will present their budget proposal this Sunday, October 18. Budget proposal packets will be available for pick up at both Sanctuary exits following the morning worship. At 6:00 p.m. that same day in Weems Hall there will be a budget discussion time so church members may ask questions about the budget proposal.

All of us benefit from the many ministries of Emmanuel. Please join us for this meeting to learn and have input into important decisions about the wisest use of our monetary resources.
