The Connections Building Campaign began the process to renovate and repair the buildings of Emmanuel Baptist Church. On Thursday, July 7, preliminary work began in the Education Building on the project that will impact our church life for the next year. It is through the efforts and contributions of Emmanuel members that this project became a reality and we look forward to the future "growing pains" knowing that the end results will be improved structures for the body of our church.

GRATITUDE

Words cannot express our gratitude for the crew of folks who came out and gave their time to clear the Education Building in preparation for the beginning of construction. People of all ages and skills worked together in the summer heat to move furniture, boxes and all the contents of the Emmanuel Library. Our own Troop 49 Boy Scouts pitched in along with Emmanuel members.
