Song

Living Stones

Our God has built with living stones a church that lives as well; in solid and in certain tones to pray, and sing, and tell.

God's Son, our Rock, our Cornerstone on which we stones must build; foundation that is Christ alone, each stone in Christ fulfilled.

Then should a seeker see the stones and ask what these rocks mean, "They are the church which our God owns and through which Christ is seen!"

Let sinful pride, like Easter's stone, by God be rolled away. Then through our lives let it be known Christ lives and leads today.
