Table Talk becomes Emmanuel Life

As Emmanuel's outreach methods have expanded to include e-mail, Facebook and other electronic media so have our newsletter formats for **Table Talk**, our Wednesday night publication, and **Emmanuel Life**, our official church newsletter. We now use the same format for both publications so effective this Wednesday, May 20, **Emmanuel Life** is the newsletter on our tables on Wednesday nights and the newsletter sent out to members via electronic media. The trusty **Table Talk** is officially retired.

ROUND TABLE

Round Table Luncheon

Friday, May 22

Noon in Weems Hall

Mike Tudor will speak about what he learned and further research has shown about the status of the church under Communism and recent positive developments. He will share his own private views of the Castros and Che Guevara which some may find surprising.

Mike highly recommends viewing these before his presentation, as it will give you some insight.

• Oliver Stone's *Commandante* (a 2-minute clip at www.youtube.com/watch?v=XVORpc4EXIQ)

• *Motorcycle Diaries* (a movie on the life of Che Guevara)
