Bags of Hope

Adopt a School

Deadline: Sunday, July 22

Emmanuel is again sponsoring students of the Southside Elementary School in Lake Providence, Louisiana, to provide crayons, pencils, notebooks and other materials they need for classroom assignments and learning. With \$750 from Emmanuel, CBF Together for Hope can equip each student of one grade level and half the students of a second grade level.

Offerings of any amount are welcome and should be designated **Bags of Hope, Lake Providence**. The Southside teachers will distribute the materials to their students at the beginning of school. No back packs are requested this year.

Marc Boswell, director of CBF Together for Hope Missions in Lake Providence, continues to work with teachers, students and community leaders to ensure they get the supplies they need. Emmanuel is one of four churches being asked to make this financial contribution to help the students and teachers have the resources they need to learn and to grow.

Dear Emmanuel,

Many thanks to all of you for adding me to your prayers during my recent illness. I believe in the power of prayer and had it not been for the love and support of so many including the Emmanuel Faith Community this ordeal might not have ended well for me. The battle isn't over but I know with your continued support I'll pull through this just fine. I hope to see you all soon and thank you in person.
