Barbee Family

Rhoda Barbee is handling her chemo treatments well to this point. Her bandage and wound vac changes are becoming more bearable as her leg heals from the drastic surgery.

We originally set up the Meal Train to provide for Rhoda and her family through six chemo treatments. The new plan is for her to receive a total of twelve chemo treatments so more dates have been added to the Meal Train calendar. These meals, provided by Emmanuel members, have become even more important to Rhoda and her family since her mother fell and hurt her back. The injury, along with the travel to get Rhoda's treatments, has made it more difficult to handle all of the home responsibilities. This is a real way we can minister to the Barbee family during this very difficult time. Thank you for participating in this ministry.

Please sign up as soon as possible for a date most convenient for you. Remember to indicate in the note section where you sign up whether you will deliver to their home in Dry Prong or you will need help with delivery. You may call or email Linda McKee if you have questions. Thank you!

Guidelines for In-Person Worship at Emmanuel

- We encourage all who are sick, showing signs of illness, or in a high-risk group for COVID-19 to please stay home and worship with us online through our YouTube live stream worship service.
- The Sanctuary doors will open at 10:30 a.m.; worship will begin at 10:50 a.m. Please use the Jackson Street entrance unless you have mobility issues that require the Rose Garden entrance.
- All worshippers are encouraged to wear a mask and make use of the hand sanitizing stations when entering and exiting the sanctuary.
- Follow the recommended social distancing measures by maintaining 6-foot distance from those outside our own households.
- Please sit in one of the designated pews marked off to maintain distancing. These will be the pews with a pew cushion and a worship guide.
- We will collect an offering at the Jackson Street exit as we dismiss our service.
- Please don't linger in the sanctuary following the service. You may have brief conversations outside after exiting.
- While we will not have childcare available, our nursery will be open to serve as a changing room or calming room for families who might need it. We will have a nursery worker present to immediately clean and disinfect after each time the space is used.
