ALL CHURCH

From the Pastor:

It was so nice to see folks enjoying a Wednesday night supper in Weems Hall last week. We've certainly missed that time of conversation and community-building over the last 15 months.

Throughout this pandemic, our church community has been mindful and responsible in following state and national guidelines regarding COVID mitigation. We've been able to relax some of those measures in recent months as the threat of this illness trended downward. Our Church Council met Wednesday, June 2, and voted to lift any previous restrictions and resume the full extent of Emmanuel's ministries and programs.

While wearing masks is not required, we certainly know that some of us will continue to do so for a variety of reasons. We also encourage anyone feeling sick or showing signs of illness to stay home and worship with us online. As we have in the past, we will continue to listen to the wisdom of leaders in the medical field regarding best practices as we monitor the situation and make adjustments as needed.

Thank you for the patience and understanding you have demonstrated as we've navigated – and continue to navigate – this season of life together.

Grace and Peace,

Chris

EBC KIDS - SUMMER 2021

You can help our children this summer in three ways

Pray for our children's program - that Emmanuel children and friends will find truth and life in Jesus, that they will grow in their wisdom and understanding, and that church will be a place of joy and happiness in their lives.

Volunteer your time - we need help on Tuesdays with art projects, games, and Bible studies. All ages and abilities are welcome.

Volunteer snacks or other special treats - we are always grateful when we can give our children something extra special and fun! Anyone who would like to volunteer can contact me through phone or email.

CONTEMPLATIVE HOUR

Contemplative Hour

Every Sunday

9:30 - 10:30

Bolton Chapel

For each Sunday during the month of June our Contemplative Hour will focus on the practice of **Visio Divina**. This method, translated from Latin, "divine seeing" invites us to look deeply and more fully at images which are inspired by scripture from the Lectionary.

Written instruction with images will be provided and sacred silence observed. You are welcome to be part of this practice, being open to transformation by God who speaks through our sense of vision.
