Conversatio Divina uses the art of poetry and the practice of prayer and contemplation to intercept deep connections with the Spirit.

For the fall, until Advent we will be continuing the Hour of Contemplation, with selections of poetry.

As the poet, Hirshfield writes, "Seeing through poetry's eyes, hearing through poetry's ears, we come to know ourselves less tempered, more free than we were, and connected to—emancipated into, if you will—a larger world."
